When a Feller Needs a Friend

Cornell, Also Unbeaten, Has One More Hard Game to Play

Penn Alone Stands Between Ithacans and Unblemished Record; Pittsburgh Furnishes Biggest Deadlock for Championship Surprise of Day by Victory Over W. and J.

The Princeton football eleven has closed its season with eight victories and no defeats, for a percentage of 1000. Better percentages than that are not being made-not in these days of exact mathematics. That spotless record, too, was made over a hard schedule, as you will agree when Chicago, Iowa and Michigan, the three casting an eye over some Frinceton opponents: Colgate, Chicago, Swarth-

Michigan and Iowa still hold high carnival in the Mid-West, Michigan by wittue of a victory over Wisconsin and Iowa by beating Ohio State. Notre Dame won and, like Michigan, has played one scoreless tie, but hasn't been beaten. Neither has Iowa. Vanderbilt continues on its winning way in the South and Alabama's Auburn gave a 8 to 6 jolt to Kentucky's Centre.

Chicago, Iowa **And Michigan** Tied for Lead

of Western Conference Remains Unbroken

CHICAGO, Nov. 19 (By The Associated Press) .- The triple tie for the Western Conference championship took a firmer hold on the percentages as

Chicago defeated Illinois 9 to 0, Michigan won from Wisconsin 13 to 6

in the second half. This, coming right after Brooklyn's victory in Philadelphin, gives the Wanderers a flying start for the championship.

After fifteen minutes of play a penalty was given against New York for a foul by Page. Hunt took the kick for the Wanderers, but Goudert made a brilliant save. In a rush down the right wing McAuslan massed to McGhea the Wanderers, but Goudert made a brilliant save. In a rush down the right wing McAuslan passed to McGhee on the left, who made a good try, but missed. New York again.came close to scoring when Coleman's shot was hooked out of the goal mouth by Robertson.

Bay Ridge Wins, 2 to 0

The soccer team of the Bay Ridge Football Club won its New York State League match with the Steinway F. C. by 2 goals to 0 at Astoria yesterday. An individual effort by McLay produced the first tally, and Murray, after a free kick by McLay, made it 2-0 by half time. Neither side scored in the second half.

FALL RIVER, Mass., Nov. 19.—Fall Archie Stark, off a pass by McAuslan, sent in a fine drive that landed in the far corner of Brooklyn's net ten minutes after the restart. The Wandard and after several close tries, Bishop despite their tussle of yesterday half time. Neither side scored in the second half.

BA1669-Unconquered Tiger Rests on Hard-Earned Laurels After His Greatest Football Year

This Nassau Tiger happened to be combination of the Bengal, the Sabertooth and the Wooly Tiger, which many

tooth and the Wooly Tiger, which many hunt but none has ever caught.

To-day he sits in his jungle home looking dreamily east, west and south ever the far stretches of his conquering forage, hearing again the shrill cries of the natives that a man-eater was raiding the doomed village.

He recalls the beating tom-toms, the shots that were fired at him and the lances hurled his way in vain.

For this has been his greatest year—greater by far than 1911, when he also downed Harvard and Yale. In 1911 the main laurer went to Sam White

goal and a long run following an intercepted forward pass, Princeton

beat Chicago by some daring tactics in the final stages; and Princeton

beat both Harvard and Yale not by doing a great deal, but by doing to

right thing at the right time. Football's reward for effort, and well

organized effort at that, seems strangely out of balance when one team can

gain 286 yards to 76 at the running

game, make sixteen first downs to six,

punt better and make one fumble to two and yet lose, but that's what happened to Yale.

By virtue of doing the right thing at the right time and the cool, dependable and wideawake football that went with it, Princeton deserved its success; but, nevertheless, a team which played as well as Yale did not deserve defeat. So often have the Tigers won games in this way that the natural question is, why?

There was no fluke about the victory over Yale, no sudden favorable happening which was just a happening, although a poor kick off did lead up to the Tigers' one scoring output. How one team can be coached to be quick thinkers and then be q
